

Family Worship Response

Elementary

Purpose: God is worthy of our worship. He designed us with a natural desire to worship, but it's what or whom we worship that defines us. As the people of God, we worship Him with how we live our lives. We can worship God by singing and dancing but we also worship Him by how we love one another and obey Him.

Supplies for Activity:

- Music: Ask each person to choose their favorite worship song.

Activity:

- Discuss why God is worthy of our worship? (Who is God and what has He done for you?)
- Take some time as a family to discuss the different ways we can worship God.
- Play some worship music to sing and dance together worshipping God.
- Ask: Did God say anything special to you while we were worshipping?
